Experience

2022 - Present

Faithfull Tours and Travels Agency | Zanzibar

DIGITAL MARKETER & CAMERA MAN

At Faithfull Tours, I have been responsible for creating and implementing successful digital marketing campaigns. I also capture and edit high-quality photos and videos for promotional use. I work collaboratively with the marketing team to develop creative strategies to increase brand visibility and drive sales.

2020 - 2022

Al-Amin Relief Foundation | Muungano - Zanzibar

FRONT-END SYSTEM ADMINISTRATOR

At Al-Amin, I have been responsible for designing, developing, and implementing new interfaces for the system and website. I manage the system's front-end, including adding, deleting, updating, and uploading content. I suggest and develop additional features for the system on a daily basis. I work independently and manage both the system and website, while also resolving other IT issues that arise.

2018 - 2020

Muzdalifah Charitable Organization | Amani - Zanzibar

SENIOR GRAPHIC DESIGNER

As a graphic designer, I have designed a variety of service programs, including logos, brochures, infographics, and presentations. While managing up to 5 projects/tasks simultaneously under high pressure, I ensured quality and accuracy of all graphic materials through assessment and feedback. In addition, I created 4 or more design presentations and proposals each month for clients and account managers.
